October 2019

Dear Club Secretary

Please find enclosed documents of the forthcoming Annual General Meeting of the Suffolk County Women's Bowls Association which this year will be held at Ipswich and District Indoor Bowls Club (IP4 4JU) on Saturday 2nd November 2019 at 10-30am.

You should have received the entry booklet for County Competitions which should be returned to your **AREA SECRETARY** together with the nomination forms for County Friendly games, Donald Steward and Silver Jubilee Vase teams and Ellen Matthews by the 31st of October 2019.

The Novices competition is held each year in September, the Executive Committee is very keen to see more new bowlers taking part. Anyone who takes up the sport after the 1st of September in any year is eligible to enter in the next bowling season, so please encourage any new members to do so.

PLEASE NOTE - THE ADDRESS OF YOUR AREA SECRETARY IS TO BE FOUND ON PAGES 4 AND 5 OF THE CURRENT 2019 COUNTY HANDBOOK (all clubs should have a current County Handbook as some names and addresses of Club Secretaries change from year to year).

I hope that two representatives of your club will be able to attend the AGM for this is the opportunity for the lady members of your club to air their views and have a say in the way our sport is run in Suffolk.

May I also extend a warm welcome to all club secretaries, male or female.

Please do not hesitate to contact your Area Secretary or the County Secretary should you have any queries regarding any of the documentation

Yours Sincerely

Ann Simpson
SCWBA Hon Secretary
