YOUR HELP IS NEEDED

Sadly, SCWBA is lacking some Officers this year. Currently the positions of **County Secretary** (a very important role for the continuation of our organisation), **Selectors for Areas A and C** and **Handbook Editor** are vacant. In November, the position of **Chairman** will also become vacant. We really need to fill these positions so that all lady bowlers can continue to take part in the bowling opportunities that they currently enjoy.

Can you help or do you know of anybody in your Club who would enjoy taking on a new challenge?

If so, please contact our Chairman Linda Nunn (either by email, lindanunn15@hotmail.com or by phone, 07539 117511) who will be pleased to talk to you further about these roles.

Thank you.
